History:  This message has been replied to.

Dear Appointed Representative,

Greetings from D-8 Technology Transfer & Exchange Network (D-8 TTEN).

We are pleased to inform you that the 4th Technology Transfer Award (TTA 2023), will be held on 12-13 March, 2024, in Turkey, initiated by the D-8 TTEN, and hosted by Gebze Technical University (GTU). During the ceremony, the best technology transfer contract will be awarded a cash prize worth of 10,000 USD.

The criteria for eligible contracts are as follows:

- Contract date: January 1, 2023 to December 31, 2023
- Contract location: D-8 member and/or OIC member countries
- Done by a technology transfer method

Attached, you shall kindly find the poster of this event. Interested organizations and companies can directly register through <https://d8tten.org/technology-transfer-award/> until January 1, 2024. For further details, please contact d8@gtu.edu.tr or +90 262 605 1203.

Best Regards;
